FOUNDATION SUPPORTS OPERATION ORANGE

The Foundation in partnership with OSU covered all of the expenses for OSU's Operation Orange, in Enid this past June. 60+ students participated in OSU's summer medical camp at the NWOSU Enid Campus.

Students were able to participate in "hands on" activities and simulations including: suturing, laparoscopic procedures, osteopathic manipulative medicine, intubation, chest compressions etc.

OSU graciously shared registration lists with the Foundation and students received a note and information about the Foundation's scholarship program.

Looking back on 2021

NWDOS - A Look Back

As you know, the Northwest Oklahoma Osteopathic Foundation works alongside the NWDOS to provide educational and entertainment opportunities for its members at no charge. The Foundation acts as the administrative arm of the society and plans and sponsors each of the programs, covering the cost of our dinner/drinks. As we move forward, the Foundation will be recruiting businesses to help sponsor our NWDOS events. If you know of any organization or group that would be interested in getting their name in front of our audience, please let Anita know.

Here's a look back at our NWDOS events in 2021: A program about death and dying was presented by Dr. Jonathan Bushman. Dr. Randy Hubach presented a program about HIV/Aids in Oklahoma. Dr. Chuck Thurman gave us an OSU-CHS Update. The NOOF introduced the 2021 grant recipients. A History of the Marshallese and the Health Care Barriers They Face, was presented by Dr. Sheldon Riklon and Terry Mote, and a private performance of Mary Poppins ended our year on a high note.

CHARITY BALL HAS RECORD-SETTING YEAR

Enid Charity Ball raised a record-setting total of more than \$174,000. After expenses the event generated more than \$113,000 for the Enid Community Clinic.

Since the Enid Charity Ball began in 1997, more than ONE MILLION DOLLARS has been raised for The Enid Com-

munity Clinic which helps low-income families without insurance who might otherwise not receive health care. The event features dinner, dancing and a live auction. This year's auction included several vacation packages including a luxury trip to Manzanillo Mexico. The Enid Charity Ball Committee is

comprised of Committee Chairs: Kristy Skidmore and Chelsea Bugg. Auction Chair: Ivy Epps. Committee Members: Cindy Bickford, April Davis, Todd Earl, Ryan and Kristi Fossett, Brooke Jackson, Katie Liddell, Anita Luetkemeyer and Kegan Tuohy.

Next year's Charity Ball will take place at Oakwood County Club on August 20, 2022.

For more information about how you can be a part of Enid Charity Ball contact Luetkemeyer at anita.luetkemeyer@gmail.com or call 580-234-6071.

AMERICAN COLLEGE
OF OSTEOPATHIC
FAMILY PHYSICIANS

NOOF CONTRIBUTES TO ACOFP CAMPAIGN

In January of 2021, the NW Oklahoma Osteopathic Foundation made a \$10,000 contribution to the American College of Family Physicians as part of an ongoing campaign. The campaign's goal is to ensure the future of osteopathic distinctiveness by helping finance exam fees for residents and bringing new physicians into the osteopathic network. The Foundation's contribution is earmarked for Oklahoma students. Nine Oklahoma students benefitted from this campaign in 2020.

COMMUNITY GRANT RECIPIENTS

The NW Oklahoma Osteopathic Foundation (NOOF) awarded more than \$34,000 to eight community organizations as part of their annual Community Grants Program.

The following organizations received grants:

Hope Outreach Earn As You Learn Program	\$5,000
RSVP Electric Pallet Stacker	\$4,764
ReRun Medical Trailer for donations and deliveries	\$4,000
Youth & Family Services Nutrition Curriculum	\$1,014
CDSA Infant Mortality Program	\$5,025
4RKids Music Therapy Program	\$1,450
Hedges Speech & Hearing Tympanometer	\$5,500
YMCA Outdoor playground equipment	\$8,062

"We were pleased to be able to support these programs, that will, in turn, benefit the community in a variety of ways." said Anita Luetkemeyer, Executive Director of the NWOOF.

Community giving is one of the cornerstones of our organizational mission and an important part of our history."

Foundation Provides Lunch For IMMUNIZATION CLINICS

The Northwest Oklahoma Osteopathic Foundation was one of several organizations to step forward and provide lunches for the community volunteers administering Covid vaccinations last year at Oakwood Mall. The Foundation thanks the Garfield County Health Dept. and all of the health care workers and volunteers that manned the vaccination clinics.

NOOF LAUNCHES MONTHLY NEWSLETTER

This past year, the Foundation began a distribution of a monthly newsletter to keep physicians up to date on events and relevant issues. The Foundation is grateful to Lynne Benkendorf for her graphic design talent and Dawn Muncy for photography to enhance the publication.

OKLAHOMA OSTEOPATHIC ASSOCIATION
ADVOCACY AND WELL BEING

Foundation Supports the OOA

The NOOF supported the Oklahoma Osteopathic Association's Virtual 121st Annual Convention through

Jonathan K. Bushman, DO

a silver sponsorship. The convention was held April 29 - May 1, 2021. Jason L. Hill, DO, served as convention chair, and our own Jonathan K. Bushman, DO, served as the convention's program chair.

The OOA is the only state-wide professional association for osteopathic physicians in

Oklahoma.

Providing the highest quality education, advocacy and leadership to the osteopathic community, the association serves more than 3,700 osteopathic physicians, residents, and students in Oklahoma.

Successfully transitioning to a virtual seminar last year, the 120th Annual Convention had hundreds of physicians and health care professionals in attendance. The Foundation also sponsored the OOA's Summer CME and provided gifts for all the attendees.

NOOF WELCOMED Rotating Medical Students

The Northwest Oklahoma Osteopathic Foundation welcomed 26 medical students from Oklahoma State's College of Osteopathic Medicine in 2021. The students completed various month-long rotations in Enid. The NOOF gifts each student with a box full of treats, restaurant certificates and complimentary use of the YMCA's facilities while they are here. Many of the students attend our NWDOS events as well.

Dr. Rebecca Lewis

Dr. Kalli Reimer

Dr. Jonathan Bushman

Dr. Jon Mills

Dr. Jeffrey Jones

Dr. Jaci Leadford

Enid physicians acting as preceptors for students in 2021 included: Dr. Rebecca Lewis, Dr. Kalli Reimer, Dr. Jonathan Bushman, Dr. Jon Mills, Dr. Jeffrey Jones, and Dr. Jaci Leadford.
