Enid Charity Ball Raises \$79,292 for Great Salt Plains Residency Program

Enid Charity Ball celebrated its 25th anniversary this year with an event that raised \$79,292 for the Great Salt Plains family medicine residency program.

The annual event which features cocktails, dinner, live auction and dancing was attended by close to 150 people this year. Title sponsors were

Stride Bank and Jiffy Trip.

Charity Ball Planning Committee members were: Kristy Skidmore, Chelsea Bugg, Ivy Epps, Lindsey Fry, Todd Earl, Brooke Jackson, Kegan Tuohy, Ryan Fossett, Kristi Fossett, Taylor Blasier, Cindy Bickford, Katie Liddell, April Davis and Anita Luetkemeyer.

Dr. Bushman Named OOA President

President

Jonathan K. Bushman, DO
jonathan.bushman@reliantdpc.com
822 W Randolph Ave
Enid, OK 73701
580-242-2021

President-Elect

Rebecca D. Lewis, DO, FACOFP
rebecca.d.lewis@gmail.com
3517 W. Owen K. Garriott Road, Ste. 4
Enid, OK 73703
580-254-8486

Dr. Jonathan Bushman was installed as President of the Oklahoma Osteopathic Association at the 122nd Annual Convention on May 1st.

Dr. Rebecca Lewis was named as President-Elect and will take the leadership role this May. We thank them both for their leadership.

Northwest District Osteopathic Society 2022 Recap

2022 MEETINGS:

The NW District Osteopathic Society met seven times throughout the year.

March	NW OK Osteopathic Foundation Update and Proper Prescribing Course
May	Mental Health Services in the Community (combined with Garfield County Medical Society)
July	Introduction of the Osteopathic Foundation's community grant recipients. These are non-profit organizations with programs relating to health and wellness initiatives.
August	Hosted a reception for OOA leadership followed by proper prescribing course.
September	Residency Program Update from Great Salt Plains
November	Dr. Natasha Bray gave a Cherokee Nation Campus Update.
December	Holiday Social at Enid Axe (combined with Garfield County Medical Society)

OTHER:

Provided welcome boxes to 37 OSU-COM students completing month-long rotations in Enid. Met with GCMS leadership to brainstorm ways to collaborate more frequently in the future. Communicated via monthly newsletter (moving to quarterly for 2023).

Thank You NWDOS Members

Thank you to our NWDOS Members: Dr. Lynn Phillips, Dr. Chris Lee, Dr. Chris Hutchinson, Dr. Melanie Hutchinson, Dr. Rebecca Lewis, Dr. Jeffrey Troutt, Dr. Samantha Moery, Dr. Chad Owens, Dr. Chris Shearer, Dr. Charles Jantzen, Dr. Jon Mills, Dr. Renah Gibson, Dr. Bobby Kang, Dr. Bret Haines, Dr. Jonathan Bushman, Dr. Sara Oldham, Dr. Kalli Reimer, Dr. Jeffrey Jones, Dr. Robert Breckenridge, Dr. Gary Patzkowsky, Dr. Bert Rogers, Dr. Kirt Bierig, Dr. Dwayne Janzen, Dr. James Harrington and Dr. Michael Scott.

Dr. Natasha Bray, Dean at the OSU-COM Cherokee Nation, (right) spoke at the November meeting of the NWDOS. Dr. Bray gave an informative campus update.

Med Student Shelby Cummins is all smiles as she holds her welcome box.

Dr. Chad Owens and Dr. Gary Patzkowsky were both honored for their many years of service to the NW Oklahoma Osteopathic Foundation Board.

Society officers are: (from left) Dr. Jeff Jones – Sec./Treasurer, Dr. Kalli Reimer – President, Dr. Rebecca Lewis – Vice President, and Dr. Chris Lee –President Elect.

May's meeting of the NW District Osteopathic Society was well attended and included important information about mental health services that are available in Enid. Panelists included representatives from INTEGRIS, St. Mary's, Youth and Family Services, NW Center for Behavioral Health, Mental Health Coalition and Dr. Eve Switzer.

FOUNDATION AWARDS COMMUNITY GRANTS

The Northwest Oklahoma Osteopathic Foundation awarded more than \$32,000 in community grants. Organizations receiving grants are:

Equipment for childcare centers
\$5,000

Hedges Speech & Hearing

Speech therapy room
\$7,500

Western Plains Y&F Services

Counseling services for children
\$5,000

Grants and Scholarships Committee Chairperson Edna Mae Holden (right) presents Lydia Kelly, Executive Director at Loaves and Fishes, with a \$10,800 grant.

Operation Orange 2022

Oklahoma State University's annual Operation Orange took place in Enid on June 8th. The NW Oklahoma Osteopathic Foundation is a proud sponsor of the event.

Operation Orange is a summer camp for students interested in a career in medicine. It is a free, one-day mini medical camp for students in grades 7-12.

- Meet current OSU medical students
- Participate in hands-on demonstrations
- Study human anatomy with a heart, lungs and brain
- Perform intubations by using a simulator
- Learn more about career opportunities in the health care field

Some photos from the event can be seen here

Students get to:

2022 SCHOLARSHIP RECIPIENTS

The Northwest Oklahoma Osteopathic Foundation awarded scholarships to high school seniors interested in becoming physicians. Last May the Foundation presented \$1,000 scholarships to the following students:

Elizabeth Bain

Elizabeth was a 2022 graduate of Chisholm High School where she earned the distinction as a National Merit Semifinalist. She excelled academically and athletically and still found time to volunteer and hold down a part-time job at Starbucks. Elizabeth attends Texas A&M and will be pursuing a career as a physician.

Jena Bay

Jena was a graduate of Shattuck High School where she was valedictorian and a multi-sport athlete. Her interest in a career as a physician was inspired by her orthopedic surgeon who helped her get back to the game that she loved. Jena says she hopes to make a positive impact on others. She attends Southern Nazarene University.

Harley Petty

Harley was a 2022 graduate of Watonga High School where, in addition to her studies, she was active in band and community theatre. Harley said she knew, as early as middle school, that she wanted to be a physician. She hasn't wasted any time toward pursuing this goal and already has a CNA license, her home health certification and has completed a course on dementia. Harley is a freshman at OU.

Konner Jenkins

Konner was a graduate of Guymon High School. During his time in school, Konner racked up an impressive list of academic and leadership awards, found time for community service, and held down a part-time job. A medical history course and a research paper on the daily responsibilities of a general practitioner helped cement his interest in becoming a physician. Konner attends Texas Tech University.

Carla Lopez

Carla was a 2022 graduate of Enid High School where she graduated with a 4.2 GPA. She has a love for arts and crafts and baking but said her true passion is the medical world. A serious car accident when she was very young exposed her to the world of medicine and had a profound affect on her life. This experience helped her realize that she wanted to become a physician and help others in the same way she and her family were helped. Carla has taken another step on that journey and has been working as a student intern at Reliant Health and Wellness. She is a freshman at OU.

Lake Lyon

Lake was a graduate of Cherokee High School where he excelled academically and was a multi-sport athlete with an impressive list of volunteer activities. He said he's been interested in medicine for as long as he can remember and a torn ACL his junior year inspired a desire to become an orthopedic surgeon. Lake said, "I want to provide high quality care to help athletes, like me, make a full recovery and return to their sport." Lake attends Friends University.

Brant Osborn

Brant was a 2022 graduate of Beaver High School where he participated in track, band, honor society, student council, and academic team. Outside of school, Brant says church and work are the major parts of his life. Brant's job at the local hospital contributed to his interest in medicine. Brant has already taken another big step toward his career goal. He has completed a three-month course to become an Emergency Medical Responder and has already put his training to use. Brant attends Northeastern Oklahoma State University.

Lake Lyon

Brant Osborn

Braden Williams

Braden Williams

Braden graduated from Fort Supply High School. His academic, leadership and extra-curricular achievements were significant and Braden already has 31 college hours under his belt as the result of concurrent

classwork. He was also in the Health Careers Program at High Plains Tech Center and received his National Medical Assistant certification in 2022. He believes a career as a surgeon is in his future. Braden is a freshman at Northwestern Oklahoma State University.
